

DESIGNED WITH SAFETY IN MIND

When it comes to safety, there is no better way to protect your patients and staff than with a PPE Station made of HDPE, an Antimicrobial material that kills or inhibits the growth of microorganisms caused by bacteria, algae and fungi.

Sanitizing Station Features:

- Meets CDC and IPAC standards for reception/waiting rooms
- 2 models, Tower and Wall Mount
- Built in HDPE antimicrobial material (wood laminate construction is also available)
- Holds standard size tissue and masks
- Tower includes 4 bungee-cord box holders, Wall mount includes two
- Includes touch-free hand sanitizer dispensers with drip tray
- Lockable and spacious storage space for easy access to supplies and easy restocking (tower)
- Includes large garbage container (tower)
- Compact and sleek designs.
- Sizes: Tower: 57"H x 15"W x 19"D
Wall Mount: 16"H x 14"W x 10"D
- Weight: Wall mount wood laminate: 18 lb.
Wall mount HDPE: 25.35 lb.
- 7 Year Warranty
